

It's Who We Are.

August 24, 2012

My name is Pamela Pritchett and I am Branch Manager for TrustTexas Bank, Kyle branch. I am writing this letter of recommendation for Angela Smith.

I have worked with Angela for two years at the Kyle branch. During this time Angela performed duties as a full time new accounts representative and training specialist. She was then promoted to Assistant Branch Manager.

Angela Smith has a strong work ethic, is highly motivated and possesses many excellent leadership skills. She has the ability to take on new projects, break them down, streamline them and find the best, most efficient way to do the job at hand. I feel that Angela's adaptability and commitment would make her an exceptional employee for your business.

Please do not hesitate to contact me should you have any other questions regarding Angela Smith.
